

CURRICULUM VITAE

JEROME P. SCHARTMAN, MD

OFFICE ADDRESSES

Retina Associates of Cleveland, Inc.
3401 Enterprise Parkway, Suite 300; Cleveland, Ohio 44122
14725 Detroit Avenue, Suite 200; Cleveland, Ohio 44107
15299 Bagley Road, Suite 200; Cleveland, Ohio 44130
17534 Royalton Road, Suite 201; Cleveland, Ohio 44136
9485 Mentor Avenue, Suite 211; Mentor, Ohio 44060
6100 South Broadway Avenue, Suite 200; Lorain, Ohio 44052
690 White Pond Drive, Suite 120; Akron, Ohio 44320
170 North Street NE; Warren, Ohio 44483
5390 Belmont Avenue; Youngstown, Ohio 44505
708 N Jefferson Street; New Castle, Pennsylvania 16101

EDUCATION

College

Greensboro College
Greensboro, North Carolina
1990–1994, BA (summa cum laude, Music Performance and Liberal Arts)

Graduate School

Catholic University Graduate School of Music
Washington, DC
1995–1996, MM (Master's in Music)

Medical School

University of Maryland School of Medicine
Baltimore, Maryland
1999–2003, MD

POSTGRADUATE TRAINING

Internship

Internal Medicine
Christiana Care Medical Center
Wilmington, Delaware
2003–2004

Residency

Ophthalmology
Penn State Hershey Medical Center
Hershey, Pennsylvania
Veterans Affairs Hospital
Lebanon, Pennsylvania
2004–2007

Chief Resident
2006–2007

Fellowship

Vitreoretinal Diseases, Surgery and Uveitis Fellowship
Retina Consultants
Albany Medical Center and College of Medicine
Albany, New York
2007–2009

LICENSURE AND BOARD CERTIFICATION

Licensed to practice medicine in Ohio

Diplomate, American Board of Ophthalmology, 2009

PROFESSIONAL POSITIONS

Retina Associates of Cleveland, 2009–

Private practice in vitreoretinal surgery and diseases. Associates: Lawrence J. Singerman, MD; Michael A. Novak, MD; Hernando Zegarra, MD; Z. Nicholas Zakov, MD; Scott D. Pendergast, MD; David G. Miller, MD; Joseph M. Coney, MD; Llewelyn J. Rao, MD; Lili G. Kaplan, MD; Shawn A. Lewis, MD

Piano teacher and performer, private studio. Bethesda, Maryland, June 1994–June 1999

ACADEMIC APPOINTMENTS

Assistant Professor of Ophthalmology, Summa Health / Northeast Ohio Medical University, Akron City Hospital, 2010–

Assistant Professor of Ophthalmology, Albany Medical College, Albany, New York, 2007–2009

HONORS AND AWARDS

Best Doctors in America, 2015

Belize Eye Mission, Belize City, Belize. Retina Research Foundation, Slingerlands, New York. October 2008

Resident Research Award, Penn State Department of Ophthalmology, June 2006

National Eye Institute Travel Grant Association for Research in Vision and Ophthalmology Annual Meeting, Ft. Lauderdale, Florida, May 2006

MEMBERSHIPS

American Academy of Ophthalmology, 2004–

American Society of Retinal Specialists, 2007–
Association for Research in Vision and Ophthalmology, 2006–

HOSPITAL & ASC AFFILIATIONS

Lakewood Hospital, Lakewood, Ohio
Cleveland Eye and Laser Surgery Center, Cleveland, Ohio
Summa Health; Akron, Ohio

SCIENTIFIC REVIEWER POSITIONS

Journal of Ocular Pharmacology and Therapeutics, 2008–

Research grant scientific reviewer for Diabetes UK, The British Diabetic Association, London, England.

RESEARCH ACTIVITIES

NIH-funded Grants

DRCRnet Protocol V. Treatment for central involved diabetic macular edema in eyes with very good visual acuity

Co-investigator, 2014–

DRCRnet Protocol U. Short-term evaluation of combination corticosteroid+anti-VEGF treatment for persistent central-involved diabetic macular edema following anti-VEGF therapy in pseudophakic eyes

Co-investigator, 2014–

Study of COmparative Treatments for REtinal Vein Occlusion 2 (SCORE2)

Co-investigator, 2014–

DRCRnet Protocol S. Prompt panretinal photocoagulation versus ranibizumab+deferred panretinal photocoagulation for proliferative diabetic retinopathy

Co-investigator, 2012–

DRCRnet Protocol M. Effect of diabetes education during retinal ophthalmology visits on diabetes control

Co-investigator, 2012–2014

DRCRnet: Genes in diabetic retinopathy project

Co-investigator, 2012–

DRCRnet Protocol R. Phase II evaluation of topical NSAIDs on eyes with non-central involved DME

Co-investigator, 2011–2013

Home vision monitoring in AREDS2 for progression to neovascular AMD using the ForeseeHome device

Co-investigator, 2011–2013

DRCRnet Protocol N. Evaluation of intravitreal ranibizumab for vitreous hemorrhage due to proliferative diabetic retinopathy

Co-investigator, 2010–2012

DRCRnet Protocol O. Comparison of time-domain OCT and spectral domain OCT retinal thickness measurement in diabetic macular edema

Co-investigator, 2009–2010

Other National Clinical Trials

Safety and efficacy study of gevokizumab to treat active non-infectious uveitis (EYEGUARD™-A)

Principal investigator, 2012–2015

Safety and efficacy study of gevokizumab to treat non-infectious uveitis controlled with systemic treatment (EYEGUARD™-C)

Principal investigator, 2012–2015

Multi-center, double-masked, parallel group, placebo-controlled study to assess the efficacy and safety of voclosporin as therapy in subjects with active noninfectious intermediate, posterior or pan-uveitis

Principal investigator, 2011–2013

Efficacy and safety study of squalamine ophthalmic solution in subjects with neovascular AMD (MAKO)

Co-investigator, 2016–

Phase II, multicenter, randomized, single-masked, sham-controlled study of safety, tolerability and evidence of activity of intravitreal APL-2 therapy in patients with geographic atrophy (GA)

Co-investigator, 2015–

Phase III double masked study of safety and efficacy of abicipar pegol in patients with neovascular age-related macular degeneration

Co-investigator, 2015–

Phase 3, randomized, double-masked, controlled trial to establish the safety and efficacy of intravitreal administration of Fovista (anti PDGF-B pegylated aptamer) administered in combination with either Avastin or Eylea compared to Avastin or Eylea monotherapy in subjects with subfoveal neovascular age-related macular degeneration

Co-investigator, 2015–

An 18-month Phase 2a open label, randomized study of Avastin, Lucentis, or Eylea (anti-VEGF therapy) administered in combination with Fovista (anti-PDGF BB pegylated aptamer)

Co-investigator, 2015–

LHA510 proof-of-concept study as a maintenance therapy for patients with wet age-related macular degeneration

Co-investigator, 2015–

Randomized, double-masked, multicenter, three-arm study comparing the efficacy and safety of RTH-258 versus aflibercept in subjects with neovascular age-related macular degeneration

Co-investigator, 2015–

A study of lampalizumab intravitreal injections administered every two weeks or every four weeks to patients with geographic atrophy (EXPOSURE)

Co-investigator, 2015–

Phase III, multicenter, randomized, double-masked, sham-controlled study to assess the efficacy and safety of lampalizumab administered intravitreally to patients with geographic atrophy secondary to age-related macular degeneration (PROXIMA)

Co-investigator, 2015–

Phase 2, multi-center study to compare the efficacy and safety of a chemokine CCR2/5 receptor antagonist with ranibizumab in adults with diabetic macular edema

Co-investigator, 2014–2016

A study investigating the efficacy and safety of lampalizumab intravitreal injections in patients with geographic atrophy secondary to age-related macular degeneration (CHROMA)

Co-investigator, 2014–

Phase 2b/3 multicenter, randomized, double-masked, dose-ranging study comparing the efficacy and safety of emixustat hydrochloride (ACU-4429) with placebo for the treatment of geographic atrophy associated with dry age-related macular degeneration (SEATTLE)

Co-investigator, 2013–2016

Phase 3, randomized, double-masked, controlled trial to establish the safety and efficacy of intravitreal administration of Fovista (anti-PDGF-B pegylated aptamer) administered in combination with Lucentis compared to Lucentis monotherapy in subjects with subfoveal neovascular age-related macular degeneration

Co-investigator, 2013–

Prospective, two-cohort, single-masked study to evaluate the effect of ESBA1008 applied by microvolume injection or infusion in subjects with exudative age-related macular degeneration

Co-investigator, 2013–2015

Prospective, randomized, double-masked, multicenter, two-arm study comparing the efficacy and safety of ESBA1008 versus Eylea® in subjects with exudative age-related macular degeneration

Co-investigator, 2013–2014

Efficacy, safety and tolerability of cariprazine as an adjunctive treatment to antidepressant therapy (ADT) in patients with major depressive disorder (subcontractor for ophthalmological examinations)

Co-investigator, 2013–2014

Ocriplasmin for treatment for symptomatic vitreomacular adhesion including macular hole (OASIS)

Co-investigator, 2012–2014

Efficacy and safety of squalamine lactate eye drops in subjects with neovascular (wet) age-related macular degeneration

Co-investigator, 2012–2015

Safety and tolerability of intravenous LFG316 in wet age-related macular degeneration

Co-investigator, 2012–2013

Intravitreal LFG316 in patients with age-related macular degeneration

Co-investigator, 2012–2015

Single and repeat dose study of the safety and efficacy of AGN-150998 in patients with exudative age-related macular degeneration

Co-investigator, 2012

A study of safety, tolerability, and evidence of activity of FCFD4514S administered monthly or every other month to patients with geographic atrophy

Co-investigator, 2011–2013

Phase 1 multicenter open-label safety and tolerability clinical trial of ciliary neurotrophic factor (CNTF) in patients with macular telangiectasia Type 2

Co-investigator, 2011–

Multicenter, 2 stage (open label, dose escalation, followed by masked, randomized) single dose study of the safety and efficacy of AGN-208397 in patients with macular edema (ME) associated with retinal vein occlusion (RVO)

Co-investigator, 2011–2012

Phase 2b dose-ranging study of pazopanib eye drops versus ranibizumab intravitreal injections for the treatment of neovascular age-related macular degeneration

Co-investigator, 2010–2011

Phase 2, randomized, double-masked, controlled trial to establish the safety and efficacy of intravitreal injections of E10030 (anti-PDGF pegylated aptamer) given in combination with Lucentis® in subjects with neovascular age-related macular degeneration

Co-investigator, 2010–2011

A natural history and registry study of macular telangiectasia specifically studying the group 2 macular telangiectasia

Co-investigator, 2009–

Impact of Lucentis on psychological morbidity in patients with macular edema and neovascularization secondary to retinal vein occlusion

Co-investigator, 2009–2012

Phase III, double-masked, multicenter, randomized, active treatment-controlled study of the efficacy and safety of 0.5 mg and 2.0 mg ranibizumab administered monthly or on an as-needed basis (PRN) in patients with subfoveal neovascular age-related macular degeneration (HARBOR)

Co-investigator, 2009–2012

Phase II, randomized, double-masked, placebo-controlled, add-on study to assess the efficacy of oral aliskiren 300 mg one daily for diabetic macular edema

Co-investigator, 2009–2010

VIEW 1: Phase III randomized multicenter clinical trial of a novel intravitreal treatment for age-related macular degeneration (VEGF-Trap)

Co-investigator, 2009

A study of ranibizumab injection in subjects with clinically significant with macular edema center involvement secondary to diabetes mellitus (RIDE) (Genentech)

Co-investigator, 2009

Other Research Activities

Uniformed Services University of the Health Sciences, Bethesda, Maryland

Department of Pathology and Immunology; Head investigator, Clifford M Snapper, MD

- Research intern, June 1998–June 1999

SELECTED PRESENTATIONS AT MEETINGS AND SYMPOSIA

The MacTel (Macular Telangiectasia) Project. Optometric Retinal Update. Beachwood, Ohio, February 18, 2016.

Update on OCT for Retinal Disease. Optometric Retinal Update. Cleveland, Ohio, June 18, 2015.

Diabetes and cataract surgery. Cleveland Ophthalmological Society Diabetes Symposium. Cleveland, Ohio, October 14, 2014.

Update on surgical outcomes 2014. Optometric Retinal Update. Cleveland, Ohio, June 26, 2014.

Update on surgical outcomes 2014. Optometric Retinal Update. Beachwood, Ohio, March 20, 2014.

Polypoidal choroidal vasculopathy. Cleveland Ophthalmological Society. Cleveland, Ohio, October 15, 2013.

Choroidal neovascularization. Optometric Retinal Update. Beachwood, Ohio, March 14, 2013.

Retinal update on anti-VEGF therapy (with Drs. Coney, Miller, Novak, Rao, and Zegarra). Ophthalmologists' Update Seminar. Vermilion, Ohio, December 20, 2012.

Retinal update on anti-VEGF therapy (with Drs. Coney, Miller, Novak, Rao, and Zegarra). Ophthalmologists' Update Seminar. Vermilion, Ohio, August 12, 2012.

Interesting retinal cases: clinical assessment and management. Optometric Retinal Update. Westlake, Ohio, June 5, 2012.

Exudative retinal detachment in ocular inflammation and uveitis. Cleveland Ophthalmological Society. Cleveland, Ohio, February 14, 2012.

Latest technology for age-related macular degeneration (AMD). Patient Seminar on AMD. Corporate College, Warrensville Heights, Ohio, July 23, 2011.

Uveitis: evaluation and management. Optometric Retinal Update. Westlake, Ohio, June 28, 2011.

Latest technology in treating macular degeneration. Foundation Fighting Blindness seminar. Eastlake, Ohio, April 13, 2011.

Serous retinopathy. Optometric Retinal Update Seminar. Beachwood, Ohio, March 3, 2011.

Retinal imaging. Cleveland Eye Clinic Update on Macular Degeneration, OCT Imaging, and Retinal Disease. Cleveland, Ohio, January 26, 2011.

Case report: central serous retinopathy with total retinal detachment. Cleveland Ophthalmological Society. Cleveland, Ohio, October 12, 2010.

Update on retinal surgery. Optometric Retinal Update. Westlake, Ohio, August 19, 2010.

Interesting retinal cases. Optometric Retinal Update Seminar. Beachwood, Ohio, March 25, 2010.

New technology in the treatment of retinal degenerations. Keynote address, Regional Conference of the Association for Education and Rehabilitation of the Blind and Visually Impaired. Cleveland, Ohio, November 13, 2009.

Interesting retinal cases: clinical assessment and management. Optometric Retinal Update. Youngstown, Ohio, August 20, 2009.

Technology in age-related macular degeneration. Presentation for patients in association with Retina Associates of Cleveland. Beachwood, Ohio, April 2009.

Lectures for core residency education. Albany Medical Center, Albany, New York, July 2009.

Macular and retinal diseases. Lectures for core physician assistant education. Albany Medical Center. Albany, New York, January 2009.

Complications of intravitreal steroids. Grand Rounds Lecture, Ross Eye Institute. Buffalo, New York, December 2008.

Surgical treatment of central serous chorioretinopathy complicated by total retinal detachment (with PM Beer, MF Giganti, NS Falk). Wills Eye Lecture, Wills Eye Annual Retina Conference. Philadelphia, Pennsylvania, October 2008

Fundus and fluorescein angiography. Lectures for core residency education. Conferences. Albany Medical Center. Albany, New York, 2007–2008.

Update in retinal diseases. Lecture for technicians and office support staff. New York State Ophthalmology Society Annual Meeting. Albany, New York, October 2007.

How to manage vision loss in retinitis pigmentosa. Central Pennsylvania Retina Society Annual Meeting, June 2006.

Five unusual cases: a day at the office. Penn State Ophthalmology Annual Technician Education Meeting. Hershey, Pennsylvania, January 2007.

Outcomes following treatment of post-surgical or post-traumatic cyclodialysis cleft: retrospective review (with A Aminlari). Penn State College of Medicine Annual Research Day, June 2006.

Optical coherence tomography compared with biomicroscopy in detecting abnormalities of the macula in patients following repair of rhegmatogenous retinal detachment (with K Neely). Penn State College of Medicine Annual Research Day. Hershey, Pennsylvania, June 2005.

Atypical central serous chorioretinopathy in the setting of systemic lupus erythematosus. Penn State Ophthalmology Annual Alumni Day. Hershey, Pennsylvania, September 2005.

Retinal degeneration in membranoproliferative glomerulonephropathy type II. Central Pennsylvania Retina Society Annual Meeting. Hershey, Pennsylvania, May 2005.

Ocular anatomy and the red eye. Penn State Ophthalmology Technician Lecture Series. Hershey, Pennsylvania, February 2005

Ocular siderosis secondary to chronic occult intraocular foreign body. Penn State Ophthalmology Annual Alumni Day. Hershey, Pennsylvania, September 2004.
